

“Not By Bread Alone” (Matt 4:4)

Spring 2021

Dear OLA Friends & Family,

Time passes so quickly, yet it seems forever since we had to start wearing protective masks. And now, thanks be to God, COVID appears to be waning and soon we will be able to see everyone's smile!

The pandemic took a terrible toll, however, we pray for all who suffered physical, mental, emotional, or spiritual losses.

In this issue, you will see that we have had lots of contributions! We love that and encourage more. Page two includes numerous prayers used by the Flame of Love movement. I (Jeanette) have also been drawn to another book called "The Warning" by Christine Watkins, which was interesting and informative about future Godly events that, the author believes, are to happen in our time.

As is the case with so many organizations this year, we are in financial straits due to COVID. New fire extinguishers soon must be purchased to pass inspection (\$500), and various maintenance repairs are required such as replacing window frames and cleaning up the pousinias. We are grateful for every gift, large and small, and thank you sincerely.

Our House of Prayer is open again for retreats, so pass the word to any smallish group looking for a place to have a day retreat of 25 or less, or private overnights up to 3-5 people. Please call 518-594-3253 (House); 518-534-9976 (Sarah) or 518-236-6832 (Jeanette) for more information. With summer just around the corner, we wish you all a happy, healthy, and safe Fourth of July and summer season. We pray for you all and hope you will keep OLA in your prayers! Sincerely, Jeanette San Souci and Sarah Anderson
