Summer 2017

The Blue Doors

Dear Brothers and Sisters of OLA

As I sit here in contemplation of our future at OLA my heart aches as we struggle with finances. It is such a serene, peaceful, beautiful place to be. My love and devotion for this House is great and so I give freely of my time and talent as there is not enough in our funds to pay someone. We are in dire need of financial help from our donors, benefactors and friends. Truth be told, we have a roof in need of repair, estimate \$1,000, we are in need of a new rider lawn mower as the old one just keeps breaking down, estimate with trade of old one, \$900, and our insurance is due which cost approximately \$3,000 for the year. Our funds have drastically depleted over the years and we depend on your generosity to keep us going. So once again we are asking for your help. May God bless you abundantly now and always!

It is with great sadness we give a fond and loving farewell to Fr. John (Jack) Downs our Spiritual Director who will be leaving us after Founder's Day. He has provided OLA and its Board of Directors and Members with loving devoted service through many years, we thank you from the bottom of our hearts and we are sure Our Lady has a special place in Her Heart for you also.

A super special thank you to Judith Rasmussen for serving as a Board Member and for the time and devotion it took to get our financials back in order, we will do our best to follow your lead.

Thank you Don Rasmussen & Ken Lushia for serving at the House & on the Board, for your time, talent and financial help put into its repair maintenance and upkeep, your love for Our Lady shows in all you have done.
