

What is the purpose of burning Votive, Devotional, Novena candles?

Lighting a candle is a way of extending one's prayer and showing solidarity (unity) with the person on whose behalf the prayer is offered.

In all, the usage of votive/devotional, novena candle is a pious practice which continues today in many churches. The symbolism reminds us that prayer is a "coming into" the light of Christ, allowing our souls to be filled with His light, and letting that light burn on in our souls even though we may return to our other activities.

A suggested donation of \$1.00 is for our 10 hour votive candles or whatever you are able to give.

Our devotional/novena candles are a suggested donation of \$3.50 or again, whatever you can give.

It helps us to replenish the supply of candles and those who give more help those who are less fortunate.

We thank you and may God Bless you for your generosity.

Remember any prayer intentions sent are also remembered in our daily prayers, with or without a candle, we love hearing from you and praying is one of our favorite things to do.

Send your prayer requests and/or donations to:

To our Priests/Deacons/Nuns/Laity, etc.

We would like to hear from any and/or all of you near and far.

Do you have any thoughts, reflections, ideas, or comments that you feel would be helpful to those who have been away from the church for some time and may be looking to come home? Please, help us to show them the way.

Adoration of the Blessed Sacrament

Ending with the Chaplet of Divine Mercy giving praise to Our Lord!

Please know a visit to the Blessed Sacrament is a very beautiful practice. It does not have to be long and you don't have to say a lot of prayers. It makes Our Lord happy that you have taken the time to come visit with Him, even for just a few minutes.
