

“Not By Bread Alone” (Matt 4:4)

Winter 2020/2021

Dear OLA Friends & Family,

Another Christmas and New Year has passed and we find ourselves in the middle of all kinds of craziness.

The COVID 19 continues and so many are lost mentally, physically, emotionally and spiritually.

We pray for you all and hope you will all keep OLA in your prayers.

I came across a book and believe I was led to it by the Holy Spirit and would like to share the information I have. I believe it pertains to the evil that is taking place in the world today.

Jesus and Our Blessed Mother are asking for our help and I'm hoping you will all join me in what they are asking us to do and please share this information with others, that they may help too...*in case you wonder who I am, my name is Jeanette San Souci and May God bless you all abundantly in helping to spread Our Lady's Flame of Love!...*

The powerful, unique, and Church-approved messages from Jesus and Mary to Hungarian seer/ stigmatist Elizabeth Kindelmann, who won approval of a cardinal and many bishops. Here the Lord and Mary speak about Satan, how to 'blind' him, the power of Adoration, the potency of the Precious Blood, the most efficacious ways to pray, saving souls in purgatory, the great troubles facing the world, future events, and the mystery of the 'Flame of Love of the Immaculate Heart of Mary' from an obscure mystic who died in 1985!

CHURCH-APPROVED MESSAGES SPOKE OF COMING STORM, JOLTS TO EARTH, AND A RENEWED WORLD

We have been reporting on Elizabeth Kindelmann — a “victim soul” seer from Budapest who died in 1985 after receiving years of what are now called the “Flame of Love of the Immaculate Heart of Mary” messages — some with dramatic portents for the future.

Those messages met with the rare approval of a cardinal, Péter Erdő, primate of Hungary (also president of the Council of Episcopal Conference in Europe) and at least six bishops in Latin America —

— along with her local ordinary.

Somehow, in the flood of “revelations,” locutions, and apparitions, these seem to have been missed. But dramatic they are (and available in the way of a booklet, *The Flame of Love of the Immaculate Heart of Mary*), which has a website and from which we hope to obtain booklets for distribution in the U.S.).

In addition to Cardinal Erdő, the seer drew the support of a second cardinal, Archbishop Bernardino Echeverría Ruiz, of Guayaquil [right].

The other bishops included prelates from Acapulco, Celaya, Tuxila, Hermosillo, Mexico City, and Durango. After requesting approval of the global Church for the organization based on Flame of Love, Cardinal Ruiz was sent a letter from the Vatican's J. Francis Stafford, president of the Pontifical Council for the laity, encouraging him “to take every measure for the association to give abundant fruits among its members” and inviting him “to continue with the tender task of spiritual accompaniment.”

“Jolts” were coming to the earth, Elizabeth said she was told (by the Lord), jolts that will “give rise to a new world by the power of faith.” The earth will be renewed, “for never has such a flow of grace ever been given since the Word became Flesh,” she said she heard. This renewing of the world will be tested by suffering and take place through the imploring force of the Virgin, the seer added.

“Know that the earth is like nature before a storm,” Elizabeth, who died in 1985, says she was told. “It can also be compared to a volcano when it suddenly awakens, smothers, kills, and blinds everyone with the infernal smoke sprouting up and its falling ashes, whose seism destroys everything around. The deadly ashes full of sulfur want to blemish human souls created in the image of God.”

But the flame of the Blessed Mother is about to ignite, Mary told Elizabeth — blinding Satan and freeing mankind from the “smoking lava” of hatred.
