Holy Mary, Mother of God, pray for us sinners, spread the effect of grace of thy Flame of Love over all of humanity, now and at the hour of our death. Amen

BLINDING SATAN

…She allowed me to experience the effects of the grace of her Flame of Love, for myself and all of Hungary. She said, "Satan has been blinded for some hours now. He has lost power. It is especially the sin of lust that covers so many victims. The evil spirits are frightened and inactive. They do not understand what has happened. Satan has stopped giving them orders. Souls are free from his power. Tomorrow, when they awaken, millions will seek a conversion" She allowed me to see what these souls are experiencing.

TO THE LUKEWARM

In another message, He said, "To you who are lukewarm. How can I gain your attention? You no longer come to me in confidence. You are content with the passing things of earth, when I want you to come to me." After this, Jesus said to me, "Record my complaints. Perhaps, when they read it, their hard hearts will be inflamed. I wish I had to complain only about a few."

PUTTING OUT SATAN'S FIRE

…Jesus continued, "If a fire begins, do not people put it out? Why do you not put out Satan's fire? How many look on in cowardice? They will be responsible. They close their eyes and let souls be condemned. Oh, consecrated souls do not be lazy. Laziness is the root of every evil in your soul. It leads to despair and you are unaware of its presence."

Jesus then spoke of my (Elizabeth's) martyrdom, "Your inner martyrdom is My Will and Satan cannot stop it. This inner battle brings forth great fruit, just as external martyrdom does. You must never be half hearted."

THE FAMILY

Our Lady also spoke, "Hungarian families are torn apart. With my Flame of Love I want the home to come alive again with love. I want to unite scattered families. Help me! My Flame of Love being lit depends on you."

OUR LADY'S PROMISE

Then, Our Lady spoke, "I grant your request. If at any moment, someone prays three Hail Marys in my honor, while referring to the Flame of Love, they will free a soul from purgatory,.."

On another occasion, the Blessed Mother promised, "If people assist at Mass without any obligation and are in God's grace, I will pour out the Flame of Love and blind Satan during Mass. When Satan is blinded, he can do nothing. Participating in Mass helps the most in blinding Satan. He knows his downfall is near.

HOW MANY SOULS ARE CONDEMNED?

…while I was working, the Virgin spoke. "You are a mother. What if your six children were condemned to hell? What sorrow would you experience! Likewise, what torments I experience to see so many of my children fall into hell.

Help me!" My heart cringed with sorrow.
